OUR FOUNDERS

LATE SARDAR KEWAL SINGH

Late Sardar Kewal Singh's commitment to empowering education has been a guiding light for SKS College of Pharmacy. His values of integrity, perseverance, and community service remain the cornerstone of the college's mission to shape responsible and skilled professionals.

LATE SH. GURVINDER SINGH

A visionary leader, Late Sh. Gurvinder Singh laid the foundation of SKS College of Pharmacy with the dream of creating a center of excellence in pharmaceutical education. His dedication to academic innovation continues to inspire the institution to nurture future healthcare professionals.

SKS COLLEGE OF PHARMACY

WELCOME TO SKS COLLEGE OF PHARMACY

**NEAR NIT, KIRMACH ROAD,
KURUKSHETRA**

Established in the year 2023 by the esteemed Sardar Kewal Singh Memorial Educational Trust, our college stands as a testament to the enduring legacy of Late Sardar Kewal Singh ji.

With a deep-rooted commitment to quality education, we have embarked on a journey to shape the future of pharmacy education in our region.

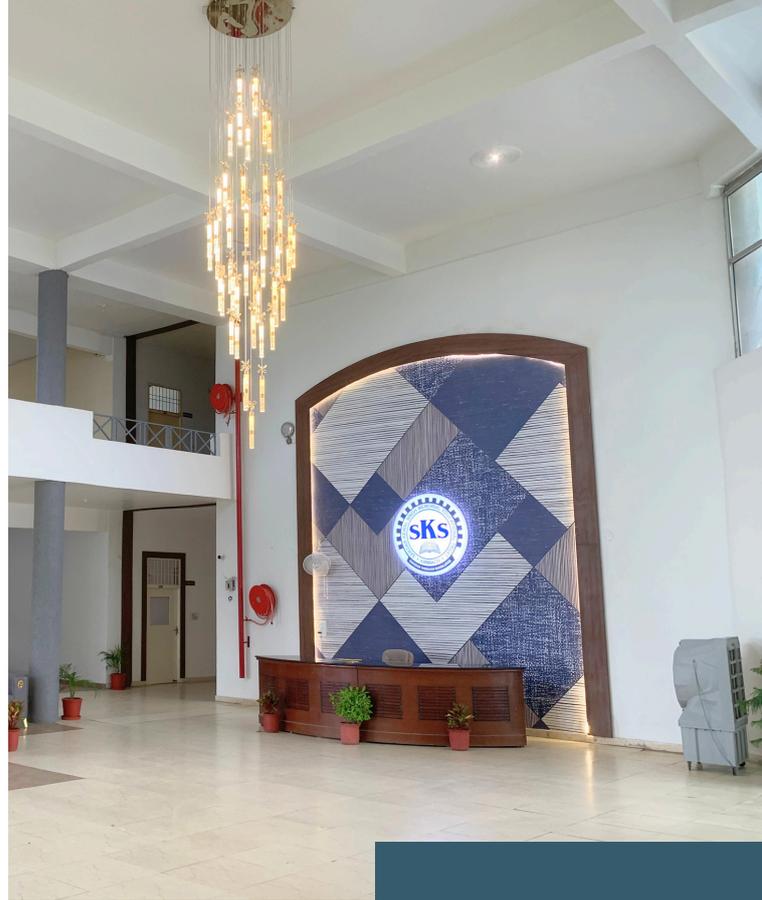

**SKS COLLEGE OF
PHARMACY**

THE BEST COLLEGE IN KURUKSHETRA

The sprawling campus of SKS College of Pharmacy provides a conducive environment for the all-round development of its students. The campus features an administrative block, an instructional block, a well-equipped library, and various laboratories. Additionally, students have access to common rooms, a canteen, photocopy facilities, a web access center, a medical room, a seminar hall, and a multipurpose hall. The college takes pride in being the best co-educational institution in the rural part of Kurukshetra district, promoting educational courses.

The college recognizes the importance of inclusivity and has established several cells for the betterment of different sections of society. These include the Equal Opportunity Cell, SC-ST Cell, OBC Cell, and Women Security Cell. These cells work towards providing support, addressing concerns, and promoting a safe and inclusive learning environment for all students.

SKS COLLEGE OF PHARMACY

To Educate one, not just to certify, with focus on skill development, not to make laborer but a Skilled Work Man.

VISION, MISSION & OUR AIM

WHY WE ARE BEST

Help to prepare educational professionals for the quality and significance of their teaching, research, scholarship, service, outreach and leadership.

Provide widely recognized leadership in the improvement of teaching, learning and the assessment of educational outcomes across the life-span through innovation and technology.

Research and Innovation :-

We promote a culture of research and innovation to advance the frontiers of pharmaceutical sciences, contributing to the development of novel drugs, therapies, and healthcare solutions.

Holistic Development: -

We are dedicated to supporting the overall growth of our students, helping them develop intellectually, emotionally, and socially, while encouraging a love for lifelong learning.

CHAIRMAN'S MESSAGE

MR. GURPREET SINGH

ADVOCATE | M.A, LLM, MBA

I extend my warmest greetings to the people of our surroundings, dedicated students, and esteemed faculty.

As Chairman of SKS College of Pharmacy, it is my honor to address you all.

Our college, located in the serene city of Kirmach, Kurukshetra,

Haryana, has always prioritized excellence in education and holistic development. Together, we strive to create an atmosphere conducive to innovation, research, and professional growth.

DEAN'S MESSAGE

MR. AMIT KUMAR SHARMA

M. PHARMACY

At SKS College of Pharmacy, we strive to provide a nurturing and innovative learning environment that empowers our students to become skilled professionals in the pharmaceutical field.

Our dedicated faculty members are experts in their respective domains and are dedicated to shaping the future of our students.

VALUES IN OUR TEACHING METHOD

At SKS College of Pharmacy, we focus on teaching methods that support both academic success and personal growth. We aim to develop students in all areas—mind, emotions, and social skills. Honesty and responsibility are at the heart of everything we do.

We use creative and practical learning methods to encourage new ideas, critical thinking, and problem-solving skills, preparing students for success in the pharmacy field.

NEW METHOD TO LEARNING

Our student-centered approach ensures active participation and personalized learning, while collaboration and teamwork help develop essential communication skills.
